6. Le Havre - MIAGE/Web - Safer - very high chance 85%

7. Picardie Jules Verne - SE Web Mobile - Safer - very high chance 85% - mobile track

Background Requirements Matching

All 30 are NOT AI/Data Science heavy, so low math grades won't block. They evaluate on Java, Web, Mobile, UML, DB, projects - where 2 years Flutter beats math grades. Use Clean Architecture, Bloc, Firebase, CI/CD, REST, testing, Play Store deployment in motivation letter.

English Requirements Summary

100% English programs (IELTS 6.0-6.5, MOI sometimes): Cote d'Azur UBINET, UBFC SSE, Toulouse Capitole MIAGE 2IS, Lille IoT, Nantes DS M2. Semi English/French (French B2 needed): Nantes ALMA, Rennes IL, Lille GL, others. Strategy: Get IELTS 6.5, start French A2 now -> B1 by 2027 intake.
